## Kluttz' Toy Opening Dec. 11th

will be the broadest and most elaborate display of Toys and Holiday Goods Chester has ever witnessed. It will be a gala day indeed. We will send up an air ship, a number of balloons, and Santa Claus will, in person, single amidst the little ones. It will be an enjoyable occasion for the children, so bring them along.

Kluttz will offer a magnificent prize to the most popular school teacher in Chester County. The school children, under sixteen years, will decide it. Each child can vote once, and the vote must be cast in Kluttz' Toy Department. The contest ends December 24, 1906.

Just received, an exquisite lot of Ladies' Ready-to-Wear Hats. We purchased them at a big reduction and have marked them accordingly.

Kluttz' Ladies' Cloaks, Jackets and Raincoats are the talk of Chester. The assortment is the most extensive and the prices are certainly very moderate.

Kluttz has marked about 200 suits extra low for the Holiday opening. Many men should greatly profit by this reduction.

Many of Kluttz' friends will be pleased to learn our regular Fall Display of Drummer Samples have arrived. In it there are Ladies' Stockings, Underwear, Belts, Collars, Coselets, Socks, Gloves, etc.; Children's Gloves, Stockings, Hosiery, etc.; Men's Shirts, Socks, Suspenders, Neckwear, Gloves, and scores of other articles which we haven't the space to mention. You know drummer samples run a shade better than the goods which they represent. Bring samples we buy them, at reduced prices, and we sell them at bottom prices.

Proper Time for Inspection.  
One of the officials of a town not many miles from Philadelphia has been the butt of much good-natured raillery for some days past as the result of a ball made by him at a recent official meeting.  
Complaint had been made that the town in use by the first department of the town had been very unsatisfactory and that at the last two town meetings the company had turned out in numbers of the town were found in a laughing mood. After considerable discussion as to the proper action to be taken the official in question surprised his colleagues when he arose and said I move, Mr. Chairman, that until further notice the chief of the first department be instructed to have an inspection of all the town made two days before every day.

## RICH IN MINERAL WEALTH.

South Carolina Has Gold, Iron and Valuable Clay.

Dr. G. F. Lee, a mining expert and mineralogist, formerly of Dublin, Ireland, and now of Kershaw county, South Carolina, was in the city yesterday in the interest of a company to be formed to mine gold, tin and aluminum in Kershaw and Lancaster counties. Dr. Lee is a graduate of the University of Edinburgh and has been a member of the Geological Society of London for many years. He has been in the city for the last two or three years ago and has been very successful in his work. He says that he has been very successful in his work and that he has been very successful in his work. He says that he has been very successful in his work and that he has been very successful in his work.

South Carolina is rich in mineral wealth," said Dr. Lee, "far richer than the ordinary citizen supposes and most certainly than the ordinary citizen hears of. The recent reports made by your state geologist, Mr. Karl S. Sloss, there is not only gold, but iron ore and a clay that is a substitute for white lead. I find this clay fairly equal to that now mined in Pennsylvania and in the West and vast beds of it are untouched."

Dr. Lee has also inspected the Knox beds in the upper part of this county and his report bears out what has already been written of them. In the State from time to time.

The county to which he refers pays about \$70 to the ton of quartz and the vein extends from the vicinity of Lugoff, on the railroad, to the line of the railroad, on through to Lancaster, with branches up into York and Chester counties. He laid several specimens of the quartz with him for exhibition which were left with local men who may become interested in the formation of a mining company.

Danger in Aiking Accident.  
When you have a cough or cold do not take any more what is good for it, as there is danger in taking some unproven preparation, such as Chamberlain's Cough Syrup, and the cure coughs, colds, and prevents pneumonia. The genuine is in yellow packages and bears the signature of Lettner's Pharmacy.

The Arkansas Razorback.  
A man who watched the affair and claimed to know about hogs, razorbacks in particular, gave the following dissertation:

"Arkansas has a strange variety of hogs and less pork and land than any state in the union." An average hog in Arkansas weighs about fourteen pounds and is dressed with its head on and about six pounds and a half with its head off. It can outrun a greyhound and a half mile, climb like a cat, and is a real terror to the farmer and the hunter. It is so called razorback because it is shaped like a saddle. In hunting razorbacks they are always shot at them sideways for there is not a ghost of a show to hit them otherwise, any more than to shoot at a spile dermoy. It can drink milk out of a quart jar on account of its long, thin head. This type of razorback is known as the stone hog, because its head is so heavy and its nose so long that it balances up behind. The owner of this type usually ties a stone to its tail to keep it from overbalancing and breaking its neck while running. If the stone is too heavy it will pull the skin over its eyes and it will go blind."

Millions of bottles of Foley's Honey and Tar have been sold without a person ever having experienced any benefit from its use. Write for a free trial. No return results, your money will be refunded. Chester Drug Co.

It is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by refusing any but the genuine. Lettner's Pharmacy.

## DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for Cheater People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Headaches, backaches, nervousness, lameness, some times, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in the train. Do not neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills.

W. F. Ewart of the firm of Ewart, Pifer & Co., opticians and jewelers, furnished the address, Main Street, extended, Newbury, N. H. says: "I have used Doan's Kidney Pills with very great benefit. I suffered with my back and kidneys for quite a while. The secretions from the kidneys were very dark, contained sediment, and were annoying particularly at night. There was a dull pain across my loins for which I wore plaster and used liniment, but without any apparent effect. After using Doan's Kidney Pills for a few days, I felt a great relief. Since then my kidney secretions have regained their natural color and action, my rest is not disturbed at night and the pain in my back has entirely left me."

Six Years for President.

Washington, Dec. 6.—The senate today called upon the president and the secretary of war to furnish all information compatible with the public interest regarding the discharge of the negro troops of the Twenty-fifth Infantry. Two resolutions were adopted to accomplish this request, one to the president and the other to the secretary of war.

A term of six years for the president and vice president of the United States is proposed by Senator Cullum in a bill now pending in the senate, providing for an amendment to the constitution. The regulation declares all that the president and vice president shall be eligible for reelection.
